

EXHIBITION LINEAR CREATIONS

INVITATION TO THE OPENING SATURDAY 7TH APRIL 2018 AT 16:00

Join us in celebrating the passing of summer with a Middle Eastern themed sunset event, including the dancers from Micah Raqs Sharqi Dance Company and the Percussive Journey.

This exhibition, Linear Creations, focuses on use of the linear form in the artwork on display, with a combination of the etchings and silk screen prints of Eloff Pretorius and the wood artistry in spalted wood.

Spalted wood is defined as incipient decay, occurring naturally in wood infiltrated by bacteria, fungus and other organisms that creates dramatic black lines and colour changes to produce decorative patterning. The works on exhibition are by Marcus Kruger, Clyde Neumann, Fred Wright and Tony Matchett.

Eloff is completing his Masters in Fine Art at UKZN; his collection from 2015 to 2017 explores his relationship with the South African landscape and the disparities between the privileged and landless.

The exhibition continues until SUNDAY 27 MAY 2018.

Gallery Opening times: Friday to Sunday and public holidays 09:00 to 17:00 or by prior booked appointment.
